## PROFILE

Hello, I'm Anubhav Pareva, a creative and detail-oriented Front-end Web Developer with a passion for crafting immersive digital experiences. With a background spanning 2 years, I am translating design concepts into user-friendly interfaces. Proficient in HTML, CSS, and JavaScript, I take pride in building responsive websites that not only look visually stunning but also prioritize a smooth and intuitive user journey. My goal is to continuously stay at the forefront of web development trends, ensuring that every project I undertake is not just functional but also cutting-edge
